Old Business

- **Review of Holy Week**- One change, we will not schedule server practice for Holy Saturday the same time as the Catechumens, they will have a separate training for Holy Saturday.
- Any time we have servers for Holy Week we will want them 30 minutes ahead of time.
- There seemed to be enough palms 1100.
- There were a lot of favorable comments about the washing of the hands. Next year Father will explain it better before hand.
- The Holy Saturday fire was really nice as it was like a pillar of fire.
- The microphone kept floating in and out during the blessing of the fire and candle.

Liturgy for 150th celebration – Shared the plans for the Mass.

Budget – No news until tomorrow.

First Communion – It was packed and beautiful. May need the ushers to come earlier.

Mission – The mission went well. There was some difficulty with the communication of needs prior to the mission.
