Appreciation

We are extremely grateful to our PTO and to all those who provided a fantastic Teacher Appreciation Week! Thanks for all you do!

May 10th will provide all of us with a beautiful day to celebrate our mothers! Blessings on all our mothers!

Preschool & Kindergarten Graduations

We celebrated Preschool Graduation last Thursday, April 30th. This was held a few weeks early due to Mrs. Speer going on maternity leave. Kindergarten Graduation will be held on May 20th beginning at 6:30 p.m. Students need to arrive by 6:15 but no earlier than

this time due to preparations.

Extended Care People Needed

Would you be interested in keeping the Extended Care Program going for this next school year? We are in need of two people from 3:15 until after 5:00 in the evening. You may check with Dana Dieckmann or Kelly

Stephens. They are currently doing this job for our school. We are sorry to lose Dana and Kelly, but Dana is looking forward to having her baby in September and Kelly will be pursuing her new business across the

street. You may also contact Sr. Anna Rose for more information.

Your Help is Needed

Field Day

Our students in grades Kindergarten through seventh grade will be going to Gaiser Park on Tuesday, May 26th for Field Day. Bob & Sharon Wood have organized this day for our school children. We had some parents who volunteered, however we are still in need of some more volunteers to help on this day. Even if you could only help for a half day, it would be appreciated. Please let your child's teacher know.

Market Day

Market Day pick-up will be Monday, May 11th. Please try to pick up your order or arrange for someone else to pick it up. If arrangements cannot be made, please try to leave a check at the school ahead of time. The school loses out on the % of profit when orders are not paid for on the day that the truck arrives.

Scrip

Do you need a gift for Mother's Day, Graduation or a wedding? Look no further. Stop by the school office and check out the selection of gift cards we have on

hand. If you don't find what you are looking for, we can order from many different stores, restaurants, gas stations and much more. Our school earns a % from each card you purchase. Orders are usually placed on Mondays and arrive by Friday of each week.

Summer Happenings

Tutoring For the Summer

Please keep in mind that if you would like for your child(ren) to have some extra help with their studies this summer, Mrs. Disque and Mrs. Gilbert will be tutoring students during the summer months. Please call the school or talk to one of these teachers if you are interested.

Summer Camps

We have received information

from Trinity Lutheran High School on Girls' Golf in grades 4-9, Girls' Volleyball for grades 4 - 9, Girls' Basketball in grades 4-8 and Boys' Basketball in grades 4-8. We have complete information on the bulletin board at school or check with the school office. Pre-registration for these camps will take place on Thursday, May 14th from 5:00-7:00 p.m. in their library.

See the attached information on better reading comprehension for the summer! It's a Fact!

Stop worrying about the future, the past, the unknown. Stop scurrying from one activity to the next. Stop long enough to close your eyes, breathe deeply, and whisper a prayer.
