Information Needed

Help! While school is going great, we do have a few things that are holding us up. We are sending home a pink registration form that gives us the latest information about your child (ren). The back side of this sheet ask for your family physician's name, emergency information and gives us permission to give your child(ren) medicine that you will have to provide to the school. Some of the families have turned them in, however, we will be sending the sheets home to the families that we do not have. We need to have this information current each year.

Also, if you have not turned in the back sheet of your handbook, please do so.

Labor Day is Monday, Sept. 7th and there is no school!

Field Trip

The students in grades 5,6 7 & 8 will be going to see King Tut in Indianapolis on Tuesday, Sept. 8th. Field trip money and the permission slip is due at this time. If you have any questions, please call the school. There have been numerous articles about King Tut and much to learn ahead of time on the computer about him that could make the trip more educational.

Volunteer Sheets

Thanks to those who turned in their volunteer sheets. I have begun to list them and disperse to the various categories and groups. If you can help in any way, it will be appreciated. Please request a yellow volunteer sheet if you have not received one and complete it immediately. We still can use help in various areas.
