May 6, 2010

Current Information

Registration

We have received several commitments for next year, however, some are still missing. We will need your registration papers returned so we can plan teachers, books and other costs for our 2010-2011 school year.

Teacher Appreciation

This week is teacher appreciation week. If you would like to show gratitude towards your child's teacher, this is the week to especially thank them.

Springfest 2010

We will be holding our 2010 Springfest on Saturday, May 15th from 11:00 a.m. to 3:00 p.m. in the church parking lot here at St. Ambrose. In case of rain, it will be held in the

school gym. There will be games, food, and fun for the kids and adults of all ages. We hope to see you there! Some of our students have been very busy selling the raffle tickets! We are currently out of tickets in the office, but will be expecting more soon! If there are any families who do not feel that they will sell the tickets, please return them as soon as possible to the school office. We have other students who need tickets to sell.

Help with Springfest

If you would be interested in helping Sr. Anna Rose with a game during the Springfest, please let her know.

School Lunch

Please remember that school lunch will be served on Tuesday, June 1st. The cooks will need to know who is eating lunch for this day. Please return your school lunch menu form on this day or send a note on Friday, May 28th to let them know ahead of time. Also, during this month, if you want your child to have extra milk, please send in the money for that day. The cost is .50 cents for each carton. We are not letting the children charge for milk during the month of May. We are trying to close out any accounts and this is the reason for no charging. Now that the weather is warmer, the children tend to want an extra milk after recess and sometimes the parents aren't aware that they are charging.

Pentathlon

Here are the results of the 2nd and 3rd grade Pentathlon Competition:

Hall of Fame—Kate Snook (Gold Medal)

Silver Medal—Peyton Levine

Bronze Medal—Emma Gibbons & Grace Rennekamp

Honorable Mention—Emma Gillaspy

Pentathlete—Abby Lemming and Lauren Fleetwood

Thanks to all of our participants and winners!

Thanks to Mrs. Hofer for her dedication in helping our students and to any other parents who helped with the Pentathlon practices!

Workshop and Other

Workshop for Pentathlon

A Mathematics Pentathlon Summer Workshop will take place in Indianapolis on July 20 and July 21 (Tuesday and Wednesday) in Lawrence Township at Skiles Test Elementary. This 2-day workshop is designed for Math Pentathlon coaches, either teachers or parents. However, any adult interested in attending is welcome. If you are taking an active role in this program, we highly encourage you to sign up and participate.

This workshop prepares coaches to not only learn the 5 games within a division level. It also pre-

sents may prerequisite activities that prepare students of all ability levels to be successful with the problem-solving games. Time and again participants comment on how this training is both valuable and so much fun. This link connects you to the workshop flyer:

<http://www.mathpentath.org/calendar/SUMMER/SummerIndianapolis.htm>

It may also be found at www.mathpentath.org Calendar, Indiana, Summer, Training events.

Lost and Found

Have you seen a small brown lace-up shoe? One of our pre-schoolers lost his shoe about a week ago.

This is also a reminder that our lost and found box in the school lobby is overflowing with items not claimed in the last few months. Parents, please check this box for some things your child may have left at school. There are some unfortunate children who would love to have some of these items that we seem to have an over abundance of.

Vacation Bible School

The Religious Education Department will be having Vacation Bible School this summer for Pre-school through 4th grade students. This will take place the week of June 14 through 18

from 9:00 a.m. to 12: 00 p.m. More information will be coming home at a later date. They are in need of helpers. This can be parents or any student who is in 5th grade or up. If you are interested

in helping, please contact Renee Hodge or Sheila by calling the Religious Education Department at 522-2686.

Thank you, Lord, for the joy you give me through the revelation of your love, and thank you for my ability to bring joy to you through my acceptance of your word.

Other News

Thank You !!!

I want to thank everyone for making Administrative Assistant's Day (Mary Brown Day) so special for me. I really appreciated all the thoughts, cards, flowers, baked goods and gifts that were given to me on April the 21st. My gratitude cannot be expressed enough! Mrs. Mary Brown

Parking in the Front

We are trying to designate the front area of the school for bus drop off. We are trying to remember every day to mark this area with orange cones. For the safety of our children and yourself, please try to respect this area for the bus drivers. Students should be dropped off around the corner on the side of the school or in the

designated parking spaces in front of the school.

Market Day

Don't forget to pick up your Market Day order this Monday, May 10th from 5:30—6:30 p.m.

Thanks for ordering and supporting St. Ambrose School!
